

German School Eindhoven

Open House

on June 19, 2015 from 3:45 – 6:00 PM

International School Eindhoven
Oirschotsedijk 14 B

The German School meets once a week in classrooms at the International School Eindhoven (ISE). We relocated together with the ISE in September 2013 to the new buildings on the Oirschotse Dijk. Currently, we have a primary school group (ages 7-12 years) and a kindergarten group (ages 4-6 years). We also plan to add a secondary school group for students ages 13-18 years. Until now, we have offered classes to bilingual, German-speaking children. However, in future, we will be extending the curriculum to include students who are interested in German as a second language, especially those who would like to continue lessons begun abroad.

At the Open House on June 19, you may expect to receive information about our classes and the benefits of early language support. Not only will teachers be available to answer questions, but also parents and students who can share their own experiences with the German School. In addition, you are invited to visit our classrooms as well as the impressive library, where not only German books may be borrowed, but also books in many other languages.

Program:

- | | |
|-----------------------|---------------------------------------------------------------------------------|
